

## Environmental, Health, Safety, and Security Policy

It is the policy of Quest Liner, a liquid and dry bulk transportation service provider operating in North America, to meet or exceed the highest standards of environmental protection, health, safety, security, and customer service in all of its operations. This commitment encompasses activities and communications with teammates, contractors, customers, vendors, state, local, federal governing agencies, and the communities in which we operate.

Quest Liner will provide high quality transportation services to our customers, while continuing to eliminate unsafe working conditions for our employees and within the communities where we operate.

Quest Liner's policies and procedures are developed to enable the continuous improvement of performance in environmental protection, health, safety, and security within the scope of the company's business and to provide consistent direction and support to its employees and contractors.

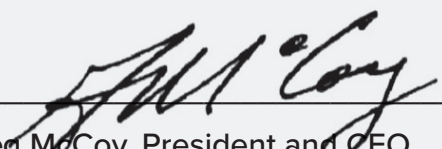

Quest Liner is committed to:

- Developing goals in environmental, health, safety, and security to drive continuous improvement.
- EHS&S goals which are reviewed on a regular basis and supplemented by corrective actions that are established to meet the goals.
- Meeting all applicable legal requirements in the operation of our business and committing ourselves to the ACC Responsible Care Program.
- Maintaining an open dialogue with our employees and stakeholders.
- Communicating this policy to our managers, employees, contractors, and other stakeholders.

It is the responsibility of all managers and employees to follow this policy and adhere to the EHS&S procedures developed in the daily operation of our business.

**RESPONSIBLE CARE®**  
OUR COMMITMENT TO SUSTAINABILITY
